CHURCH PLANT IN CEDAR PARK

Highpointe Baptist Church will be planting a new congregation in Cedar Park this year, with Ben Wright as the full-time preaching elder. If you live in the Cedar Park area, your pastors would like for you to seek the Lord in prayer to see if he may be leading you to be an integral part of this exciting new work. If you are being so led, please come visit with one of your elders.

FINAL BEREAN BEACON FOLDING

Immediately after the service today, volunteers are needed to help Richard and Lynn Bennett and Joan Kaderli fold and stamp the last Berean Beacon Newsletter to be prepared at Dayspring. This will take place in the library. Copies of the Newsletter are also available for free to anyone who would like to have one. The topic is titled, "For Roman Catholics, Who is Your Holy Father?"

FELLOWSHIP MEAL NEXT MONTH

After the worship service on Sunday, April 12th, we will be having a fellowship meal in the fellowship hall to honor the Bennetts and say goodbye as they prepare to move to Washington state. Couples and families should bring two of the following: main dish, vegetable, salad, or dessert. Singles may bring one of those or bread or drinks or ice.

DAYSPRING TECH EMAIL ADDRESS

A new email address has been created ~ dayspringtech@icloud.com. This email address may be used for all things tech - if the streaming is not working properly, a message is missing from Sermon Audio, or something is amiss with the Dayspring website. This email will be monitored during Sunday services and Wednesday evening Bible study.

TECH VOLUNTEERS NEEDED

The Tech Ministry is looking for volunteers to who have an interest in helping amplify, broadcast and record our services. You don't have to be gifted as a tech person to be a member of this great blessing to many near and around the world. Also, our website is being redesigned. If you have an interest in serving, please see David Riedl.
