HEALTH & BEAUTY (FROM DR. SOLOMON!)

TEXT: Song of Solomon 7:11 Come, my beloved, let us go forth into the field; let us lodge in the villages.

12 Let us get up early to the vineyards; let us see if the vine flourish, whether the tender grape appear, and the pomegranates bud forth: there will I give thee my loves.

13 The mandrakes give a smell, and at our gates are all manner of pleasant fruits, new and old, which I have laid up for thee, O my beloved.

1 Kings 4:29 And **God** gave Solomon **wisdom and understanding exceeding much**, and largeness of heart, even as the sand that is on the sea shore.

30 And Solomon's wisdom excelled the wisdom of all the children of the east country, and all the wisdom of Egypt.

31 For he was wiser than all men; than Ethan the Ezrahite, and Heman, and Chalcol, and Darda, the sons of Mahol: and his fame was in all nations round about.

32 And he spake three thousand proverbs: and his songs were a thousand and five.

33 And **he spake of trees, from the cedar tree that is in Lebanon** even unto the hyssop that springeth out of the wall: he spake also of beasts, and of fowl, and of creeping things, and of fishes.

34 And there came of all people to hear the wisdom of Solomon, from all kings of the earth, which had heard of his wisdom.

"As the sand on the sea-shore encloses a great body of waters, so Solomon's mind contained an ocean of knowledge."

"The ancient civilizations of Egypt, China and Africa used honey because of its antifungal and antibacterial powers, according to an essay in the Michigan State University alumni magazine by Robert and Michele Root-Bernstein, based on their book 'Honey, Mud, Maggots and Other Medical Marvels.' In addition to being used for more serious wounds, **honey was used as a remedy for dry and damaged lips...Honey has the power to moisturize and heal, making it an ideal treatment for parched lips.** Because honey has antibacterial powers, it helps prevent infection from developing in cracked lips, according to CareFair, an online beauty and skincare resource maintained by CareFair, Ltd.
