**Theme:** This message starts with two significant questions then continues with how we separate our spiritual life from our temporal life and closes with King David's most humbling observation.

Today's modern evangelical Church is being forced into quarantine by a world of disbelievers. We are told to separate our beliefs from daily interaction with the public because it may be offensive. Our beliefs are no longer welcome in government, public schools, higher education, evolutionary science or the vast majority of entertainment and the media. As a result we have separated God from our own personal activities by making church something that we do like going to work or shopping. The reality is that we as believers are to acknowledge God and glorify Him in everything that we do.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
