

## **Systematic Theology**

### **The Doctrine of Salvation: Introduction**

#### **I. The importance of the doctrine of salvation**

- A. Being wrong about salvation is eternally dangerous
- B. How we think about God affects the way we think about salvation
- C. How we think about man and sin affects the way we think about salvation
- D. How we think about grace directly affects what we think about salvation
- E. What we think about God's glory impacts our view of salvation
- F. What we think about salvation will shape our worship
- G. What we think about salvation will have consequences in the way we live

#### **II. Redemption accomplished and applied**

- A. Redemption accomplished
- B. Redemption applied

#### **III. Perspectives of salvation in tension**

Theology consists of clear individual themes and incomprehensible interrelatedness or harmonization.

- A. Human responsibility and divine sovereignty
- B. The already and not yet

**IV. The *Ordo Salutis***

A. A defense of an order of salvation

B. The biblical order of salvation
