Seven Things I Know To Be True About You
John 5:24-30
Pastor Phil Winfield
March 23, 2008

- Everyone wants **to be loved**
- Everyone wants **significance** in life
- No one can find meaning in only **money and success**
- Most people are carrying a load of **guilt**
- Many people are bitter because **of the past**
- Everyone has a natural **fear of death**
- Everyone wants **to live** (But not everyone is really **alive**)

The problem that separates us from God is not a question of which sin(s) we've committed; it is a question of whether we are **dead** or **alive**.

The answer to being separated from God is to **come alive by faith** in a Resurrected Savior
