

## **RESURRECTION SUNDAY**

*Remember the Gospel*

**1 Corinthians 15:1-11**

### **PASTOR'S PRAYER**

Almighty Father God, you possess all power, authority, dominion and glory. At your right hand all nations, kingdoms and creation are established and sustained. You sow and reap. You throw down and take up again. You give life and your take it away. Blessed be your name forever and ever. Jesus Christ risen and reigning over death and hell is our declaration this morning, LORD! We confess our weakness, O LORD. For all the amazing structures, systems, organizations and gadgets we may have, we can't calm our raging hearts nor are we able to relieve the weight of the guilt we find within. So come LORD Jesus and remind us the the glorious power and value and wonder of your gospel this morning. Give us hearts ready to receive your gospel with joy, hope, faith and repentance. May we rest in your grace this morning as our only refuge and help for our troubled lives. We ask this in the name and authority of our risen Savior Jesus Christ our LORD. Amen & Amen.
