

Romans 10:16-11:24

- Five questions...
 - o 10:18, 19; 11:1, 7, 11

Recap & Trouble Shooting

“But I ask, have they not heard?” - 10:18

- Yes they have!

“But I ask, did Israel not understand?” (10:19)

- Disobedience was the problem, not difficulty

“I ask then, has God rejected his people?” (11:1)

- No way! - No way! – *by no means!*
 - Paul demonstrates this personally... and prophetically
 - ...and presently.

“What then? Israel failed to obtain what it was seeking. The elect obtained it, but the rest were hardened.” (11:7)

“So I ask, did they stumble in order that they might fall?” (11:11)

- No! Israel’s hardening is neither total, nor final.
 - Envy with good intent.
 - But don’t become proud... continue in his kindness.

*“But if it is by grace,
it is no longer on the basis of works;
otherwise grace would no longer be grace.”*
