

## EMBRACING THE RIGHT PASSION FOR YOUR LIFE

### A. Examining the PURPOSE and PASSION of Paul For His Life. (Philippians 1:20-21)

1. The *desired purpose* of his life was that “\_\_\_\_\_ will be \_\_\_\_\_ in my body, whether by \_\_\_\_\_ or by \_\_\_\_\_.” (1:20)

- Should this not be your desired purpose as well?

2. The *driving passion* of his life was “for to me to live is \_\_\_\_\_, and to die is gain”. (1:21)

- “for”
- “to me”
- “to live”
- “is Christ”

- Is this claim really fact or fantasy in Paul’s life?

- Was this always true of Paul? (Phil.3:3-15)

- “and to die”
- “is gain”
- Philippians 1:22-27
- How did this passion show itself?
- How does this apply to you?
