

**A True Prayer of True Faith**  
**Isaiah 63.7-64.12**

Introduction:

When the mixed spiritual nature of the visible covenant community  
seems to prevent God's blessings,  
the faithful response of God's true people is to pray.

1. Talking to God about God [63.7-14]
2. Crying to God to intervene [63.15-64.3]
3. Recognizing before God the root of the problem [64.4-7]
4. Turning back to God in total dependence [64.8-12]
