As deliverance from the penalty of the law is in order to produce holiness, it is vain to expect that deliverance except with a view to the end for which it is granted,"

Closing Thought: As God's adopted children, because of the work of Christ on the cross, we are no longer under the bondage of The Law. Rather we are freed up, in our union with Christ, to love The Law that we once hated and that condemned us. Do you love The Law? As blood bought believers, our "Christian freedom" gives us the power and desire to live holy lives, not the freedom to do whatever we can get away with. Amen and Amen!!
