Food for Thought

- There are curious seekers within the Church today. Beware!
- Many Church leaders desire men's praise not God's
  - They eliminate Jesus by ignoring His words
  - They write books that subtly call Jesus a liar
- The "hour" equates to God's sovereignty
- Hollerers of Jesus are not always followers of Jesus
- Jesus was like a newly elected president
- Only the Spirit can enlighten us to the Truth (12:16)
  - Gives us the proper worldview
  - Gives us answers to all our questions
  - Gives us peace in the midst of chaos
- God laughs at scoffers who strive against Him (Ps. 2)
- Those who tolerate us hate us
- Suffering? Your seed is dying and will bear fruit!
- Death was necessary for Christ to bear fruit (24)
- Death to self is necessary for us to bear fruit (25)
- What Jesus does, His true followers also do (26)  
a wave offering.
