

The Life-Giving Creator - Gen 1:20-25

I. Day 5: Filling the waters and the skies

A. The Power of God's Spoken Word - v. 20 Psa 148:5 Psa 33:6 Isa 46:9-10

His instantaneous, irresistible and irrevocable spoken Word,

- Day 1 - light > day 4 He created Sun, Moon and stars
- Day 2 - seas and the firmament > day 5 sea animals and birds
- Day 3 - dry land and its plant life > day 6 He creates animals and man

This fifth day creation of God was called in Hebrew - *neh'-fesh* - "living creatures", creatures that have b_____.
Neh'-fesh denotes life that has breath, that m_____, that is c_____ of its environment. In Hebrew, v_____ is never considered *Neh'-fesh*.

B. Details in Day 5 - v. 21

1. The Privileged Sea M_____

Uniquely singled out for mention is this great sea creature or monster. The Hebrew name is *Tan-neem'*. Why?

2. The K_____ - a group of organisms that are capable of interbreeding with each other. It is important to know that a kind is larger than a species. Much like there are several dog breeds that are capable of interbreeding with each other, several species, such as the wolf species, the jackal species, and the coyote species, are capable of interbreeding and thus belong to the same kind."

C. God's Blessing - v. 22 - "Be fruitful and multiply".

D. The "Y_____" (day) is Done - v. 23

II. Day Six - Populating the Dry Land

A. Let the earth "bring forth"

- B. **From the earth God created:** cattle and creeping thing and beast of the earth,
➤ the behemah, animals that can be t_____ and d_____ and used by man,"
- The creeping things - Lev 11:29-30 examples: _____
- Beasts - w_____ animals or those not normally tamed by man.
