### *Covenant Care*

### ***Exodus 34:10-28***

#### **PASTOR'S PRAYER**

Almighty Father in heaven you alone have all authority in heaven and earth. You are preeminent, transcendent and worthy of all our worship, glory and honor. You are jealous, for your name is Jealous. You own us and all creation. You deserve our singular devotion, allegiance and worship. And yet our hearts often run after the pleasures and trinkets of the world around us. We are quick to stray and trust the empty promises offered by this world and its thousands counterfeits for your steadfast love, your joy, your hope, your peace, your comfort. Father in heaven would you expose our idolatry our careless flirting with the damning allurements around us and grant us grace and faith that we might faithfully observe with great care the commands you have called us to live and the patterns in our lives you have given to us for our good. May we observe what you have command us this day that we might reflect your character, your glory to one another and to the watching world around us. We ask you will do these things in the name of Jesus Christ our Savior and Deliverer and LORD. Amen & Amen
