

Message Title: He is Still Coming Back

Theme: From 1976 through around 2002 the subject of the Rapture of the Church caught the attention of many pastors and teachers and then it quieted down. Maybe due to the embarrassment that was felt as predictions failed and dates came and went without incident. This is also a sign of the soon return of Jesus Christ. 2 Peter 3:3-4 "**Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation.**" If you also consider Matthew 24: 44 "**Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh.**" These verses fit perfectly with the attitude of indifference that believers feel about this future event but we have been admonished to continue watching.

This message is about the last days and considers verses that are not usually thought of about this subject.

Salient Points: Beards, If God treated us like we treat him, Knowledge increased, Similarities between Psalm 90 and 2Peter 3, The power of God's words, Jesus' surprise return, Keeping in mind that He is coming back, The missing four years, Embarrassed by false predictions, Fig trees and Israel, Anti-Semitism, Moving on past the Rapture, Last moments, End time signs.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
