

REVIVAL OF PRAISE AND PRAYER

PSALM 34:1-8

4/22/2012

***We need a revival of praise and prayer in our lives!**

(We must be revived in our praise life and our prayer life)

How can we be revived in the matter of praise and prayer?

I. BY OFFERING CONTINUAL PRAISE (V. 1-3)

- A. Continually Praise Him Vocally (V. 1)
- B. Continually Praise Him Humbly (V. 2)
- C. Continually Praise Him Corporately (V. 3)

II. BY OFFERING CONFIDENT PRAYERS (V. 4-8)

Why such confidence? You pray in faith, believing . . . knowing:

- a. You are right with God (see v. 7 "fear", v. 9, 15, 17, 18, 22)
 - b. You are asking according to His will
-
- A. When You Pray Believing:
God Will Never Block His Ears (V. 4, 6)
 - B. When You Pray Believing,
God Will Never Let You Down (V. 5)
 - C. When You Pray Believing,
God Will Never Leave You Alone (V. 7)
