3. **Let's be careful that we are balanced...out of balance is really out of order**
  - a. We may seem like we are well ordered, but if we put too much emphasis on any one of these areas to the neglect of the others, we just think we are well ordered.
  - b. ...I haven't got myself to the proper level to do anything else
  - c. ....well, my family isn't hitting on all 8 cylinders so I can't go beyond that
  - d. ....well, my church isn't sound enough or impressive enough so I can't invite that person, or take part in that effort, or go on that mission trip.
  - e. Truth is like walking on the edge of a razor blade and we all totter
