Hello praying friends,

Thank you for your concern for the advance of the gospel in the country of Turkey. I am a little bit late relaying this update to you. Since this update, Antuan has made his third trip to the earthquake affected area. Each of these trips is 15 hours of driving each way (2480 km round trip) and he is emotionally and physically tired. He told me that there were times he just had to go to his car to spend time alone and weep due to the overwhelming needs all around him. On this last trip to Adimayan, he and a handful of others managed to construct 18 tent/shelters in 9 days. He plans to return for a fourth trip from May 1-10 and will probably be in the city of Hatay. Your generous gifts have made these trips possible and we will be planning the use of the funds together for the upcoming trip. Pray for Antuan and his family, that the Lord will sustain them and pray for the country of Turkey which is soon facing significant national elections. As you read this thorough update, rejoice with me at the opportunities and fruit for labour that the Turkey team is seeing!

*In Christ,
Josh Burrill*

Dear Ministry and Prayer Partners,

On behalf of your sisters and brothers in Tree of Life Ministry and Bakirkoy Baptist Church, we greet you in the name of our Lord and Savior, Jesus Christ. His love and peace abound in your workplaces and nests.

Since the pandemic years, our annual and team routines have changed so much. We have witnessed how our country and its people turned into depressive and desperate people due to its inflations, effects of wars from the neighboring countries, unemployment, and currently, the different kind of high anxiety arousing everywhere due to the devastating earthquake last month, and the national election in May.

People are hungry and thirsting for food, peace, stability, new national leadership, and rest. People here yearn for something different than the brokenness and suffering around us.

Psalm 1:3 "They are like trees planted along the riverbank, bearing fruit each season. Their leaves never wither, and they prosper in all they do."

This verse comes to us with a fresh urgency when the people in power and the system seems to flourish. Such a refreshing that a small team like Tree of Life echoes the Psalmist, who understands God's values for those who indicate a different reality is possible. With God's anointing, we can make a difference and be like the tree planted by streams of water-bringing life where desperation reigns and introduces Jesus, the only answer to our earthly suffering.

We are grateful to God for the work we are doing together. Our team cherishes this and prays that we continue to find new ways to strengthen our partnership and effectively make a godly impact in this country.

May you be encouraged knowing that your prayers and support have impacted this country. **Full Quarterly Update is available in the foyer.**

All for the Gospel,
Pastor Antuan
