Discussion Questions

The following questions are designed to be used by parents in discussing the sermon with their children, but can be used by anyone in discussing the sermon with others:

1. What stood out to you in this sermon? Why?
2. What does this passage teach about what it means to be a Christian?
3. Has the Christian already been made a new creation, or is he becoming a new creation?
4. Go through verses 25-32. Find and explain each way that the Christian is to live differently than he once did.

Going Deeper:

These questions are designed for the believer to use in prayer with his/her Lord, and in discussion with brothers and sisters in the Lord:

1. How did this sermon challenge your thinking, or grow your understanding?
2. How would you summarize the condition of unbelievers as described in verses 17-19? What does this mean?
3. What happens in regeneration and conversion, as described in verses 20-24? How does this relate to the Christian life?
4. In verses 25-32, which instruction do you find the hardest to follow? Explain. How can this passage as a whole help you to follow this instruction?
5. Consider again the instructions in verses 25-32. In which of these areas has the Lord transformed you the most? How has the Lord brought about this transformation?
6. What is the number one way you should be affected by this sermon this week?
