

PITTSFORD COMMUNITY  
CHURCH

# PCC Bulletin Connections

## April 29, 2020

**Communion Sunday**—Be sure to prepare your table with bread and cup for this Sunday's livestream service.

**PCC and the Payroll Protection Plan**—Marc Horton, Deacon of Stewardship, reports that PCC has been approved for the second round of funding from the federal government, though at a lower level than requested. This stimulus will help in the long run, but current giving is strong. Thank you for your continued and faithful giving online or by mail to the ministries of Pittsford Community Church.

**Virtual Town Hall Meeting**—Join PCC's Town Hall Meeting on Sunday, **May 3, 12:00 noon**, to learn about and provide input regarding the opportunity to purchase a new-to-us organ. The current organ is limping badly, and we have the opportunity to purchase a good replacement for under \$30,000 (a comparable new organ would cost about \$120,000). The staff and Vision Deacons are in favor of this purchase, and we seek your input as members of PCC.

Here is the information to join the meeting:

**THANK YOU...**to a handful of people who tore out bushes in the front of the church by the sign – looks so much better!

# PCC WEEKLY PRAYER PLAN – April 29, 2020

## **Prayer application from Sunday's sermon, "RIDICULOUS SUPPLY"**

In this week's sermon, two stories contained in II Kings 4:38-44 challenge our faith that God is a God of ridiculous supply and wants us to learn how to depend on Him.

- 1.) Read II Kings 4:40. Did the 100 men believe God could supply their needs? Do you believe God can supply your needs? Do you go to Him with your needs? Or do you depend on self-sufficiency?
- 2.) Read II Kings 4:41. How did Elisha know to put flour in the poisoned soup? Did he perform the miracle of the soup being made edible?
- 3.) Read II Kings 4:42. Did the man from Baal Shalishah withhold his tithe in a time of famine? Are you bringing to God your first fruits despite your present circumstances?
- 4.) Read II Kings 4:43. How did Elisha know the 20 loaves of barley would feed 100 men?
- 5.) Did Elisha do both miracles in his own strength? How did his faith impact the outcome?
- 6.) Compare II Kings 4:43-44 to Matthew 14:13-21. How do these stories differ? How is Jesus the greater source Elisha and the other prophets depended on?

***As a reminder to exercise your faith about God's ability to provide, print page 2 and hang it in your home!***
