Sermon: "Samson All Ritual No Spirit" Pt.2- What's Wrong With You People? Pt. 41

**I Text:**

Old Covenant: *Judges 13:15-24*

New Covenant: *Luke 9:23-36*

**II Doctrine:**

Manoah and his wife have the terrifying experience of encountering the Angel of the Lord. Just like their Father Abraham they try to show hospitality to the Lord. God will speak with his people only as long as he needs to, and will not tarry a second longer.

God has appeared to his people numerous times in scripture when the covenant was in jeopardy. When believers encounter God in this way the reaction is always the same, terror and awe. The Lord always has to remind the faithful they will not die after seeing him in this way.

Manoah's wife conceives and gives birth to Samson, one of the Messianic types in scripture.

**III Comparing Scripture With Scripture:**

2) God has appeared to his people numerous times in scripture when the covenant was in jeopardy. When believers encounter God in this way the reaction is always the same, terror and awe.
