### Life Group Discussion

The word peace is used several times in the Luke 19:28-48 passage. What are you doing to maintain peace with God? How can you help others find greater peace in Christ?

How are you being captivated by the Word of God during this season of quarantine and shelter in place? How has God been revealing himself to you?

Read 1 Peter 1:1-9 and then discuss how you will focus during Holy Week on the truth that Jesus is the Living Hope.
