

ISAIAH

The Holy One of Israel

God's Sovereign Word Spoken into the World: "Ah!"

True Solution: Divine Government

Isaiah 33

PASTOR'S PRAYER

Almighty God, You are gracious, merciful, patient and good. You alone are our judge, lawgiver and king. You alone will save us. We confess our constant efforts to save ourselves, to trust our own abilities, resources, wisdom and plans. O Lord, be gracious to us. Grant your grace this morning, Lord, that we may relinquish our self made deliverance. Cause us to wait for you to deliver and to cease from our tireless efforts to save ourselves and to hope in every passing option, trend or path. Lord, may faith and repentance come this morning by the power of your Spirit and through the hearing of your Word preached. Would you reveal our idols of self reliance and expose the brokenness of our lives outside of your grace and lead us into your presence that we may behold our King in his beauty and revel in Him, Jesus Christ our Lord, Amen & Amen.
