DEVELOPING A REAL RELATIONSHIP WITH GOD

4/8/2018

9th message: Giving Focus To Your Relationships

Text: Psalm 86

Theme: A relationship takes true communication.

Some relationships talk about things and events, but never about “us”

As you study the Psalms of men like David and Ezra you find a **constant interaction between the psalmists and God**

What gave David that distinguished title: **A man after God’s own heart?**

I. You should pray to God for what He can do (vv. 1-4, 6, 7, 11-14, 16, 17)

II. You should praise God for who He is (vv. 5, 8-10, 15)
