**Closing Thought:** Jesus spoke with the authority of God, because He is God. The Pharisees refused to believe Him, but He was zealous to tell them the truth. We too, Beloved, speak with the authority of God when we proclaim the Truth from the Holy Scriptures. We must preach the gospel of Jesus Christ to those who seemingly refuse to listen, that they might believe. We must speak condemnation to those who refuse to believe, and pointing them to Christ, just as King Jesus Himself did.
