### Why Me?

#### Why? Questions:

*Why aren't Christians the richest people if God provides for them and if He owns it all?*

*Why do children have to obey older people? Don't they make mistakes too?*

*I want God's will to be done but I need for all the stress removed first.*

*Is it really forgiveness if you continue to think about things that have been done to you?*

*Why does God let innocent people suffer?*

*2 Timothy 3:1*

The goal is to be **ready** for the second coming of Christ.

A true believer can't be **quiet** about Christ.

*2 Timothy 3:2-5; 2 Timothy 4:3-4*

The Last Days: People will be lovers of **themselves**.

*Matthew 7:13-14; 2 Timothy 3:6-7; John 15:13*

The Last Days: Self-centeredness leads to the kind of **misery** that loves company.

If we become less **consumed** with ourselves we can become more focused on others.

*2 Timothy 3:8-9; Matthew 16:18b*

The Last Days: People care more about their **standard** of living than they do about others staying alive.
