## **I. The Right Desire**

1. "Inherit the earth": a hope that's haunted humanity since \_\_\_\_\_.
2. Note: Jesus \_\_\_\_\_ our desire for a home that cannot be lost.
3. Since \_\_\_\_\_, we have tried to build this home for ourselves.

## **II. The Way Home**

4. The way home is not to seize power, but \_\_\_\_\_ on God's promise.
5. The meek use power only to \_\_\_\_\_, never for \_\_\_\_\_-salvation.
6. "I don't have to keep grasping for a home I cannot \_\_\_\_\_;  
Jesus has already won for me a home I cannot \_\_\_\_\_."
