

SONG 6: YEARNINGS & FEARS

Song 2:16 – 3:5

Seems that sometime between 2:15 and 2:16 they became betrothed. Thus her statement in 2:16. Setting:

2:16-17: Her last thoughts before sleep:

16a: Mutual P

16b: His tenderness in possessing her: she is safe

17 : →P !

Principle: safety in a man's love evokes passion

So also in our relationship with Jesus

3:1-4: The Dream:

1-3: Loss & p

4 :Recovery & p

Note 2 things:

1. Importance of being in the home of your beloved **before** the wedding.

Bring your worlds together and seek the blessing of your parents

2. Compare this incident with Mary and Jesus:

John 20:1-18

We are in that time between betrothal and marriage with Jesus. A time to test your faith and patience

3:5

First thoughts upon waking:

Reasserting the need for _____ just before the wedding

Keep your **heart** pure before the Lord (II Cor 11:2; James 4:4-8)

The Wedding will soon take place!
