## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
