### Why Baptism?

*Why Baptism?*

*Romans 10:9; John 20:1-8*

#1 There is a time you think it's **over**.

*Those who followed Jesus had hit rock bottom and lost any hope for a change because - people don't overcome being crucified on a cross.*

#2 A change occurs when you dare to **believe**.

*Some people may be willing to die for something they believe is true - but no one is willing to die for something that they know isn't true.*

*Ephesians 1:18-20*

#3 When faith kicks in a **celebration** begins.

*Acts 2:36; Acts 2:38*

*The crowd that heard that gospel message didn't come planning or prepared to be baptized.*

*Romans 6:4; 1 Peter 3:21*
