1. **The sovereign Lord holds all nations accountable to honor Him, and will judge them in \_\_\_\_\_ if they do not.**

  - b. God's judgment will be seen in \_\_\_\_\_ uncertainty.
  - c. God's judgment will be seen in widespread \_\_\_\_\_.
  - d. God's judgment will be seen in the fact that idolatry will be commonplace and people will be consumed by their \_\_\_\_\_.
  - e. God's judgment will ultimately result in the nation's \_\_\_\_\_ if there is no repentance.

2. **In the midst of national judgment, the Lord will not forsake His \_\_\_\_\_ but will strengthen it so that it can stand firm.**
  - a. The Church must maintain a love and commitment to \_\_\_\_\_ above all else.
  - b. The Church must hold to a \_\_\_\_\_ of the growth of Christ's kingdom in spite of the signs of judgment they see all around them.
  - c. The Church must hold firmly to the truth of God's \_\_\_\_\_ in spite of pressure to make compromises.
  - d. The Lord gives His Church a song to sing and a prayer to pray as He gives \_\_\_\_\_ in the midst of unstable times.
