

BE HOLY!

Leviticus 18:1-5; 19:1-2 1 Peter 1:14-15 1 Thessalonians 4:3

"HOLY SEXUALITY PT 1"

- For the first time in memory, the evangelical church in America is a minority voice in the conversation about human sexuality. We have been pushed to the fringe.
- The world has made an idol out of sexual orientation.
- The most vocal advocates for tolerance are completely intolerant of those who express a belief in Biblical morality.
- It's like we need to be given permission to do what is right!
- Let Scripture form your story and beliefs, not your story and beliefs form how you interpret Scripture.
- The church's testimony and effectiveness rises and falls on its commitment to living and proclaiming God's Word.
