#### 1. The believer's most fundamental identity is their relationship to Christ Jesus.

- a. Every Christian has the eternal \_\_\_\_\_ promised and purchased by Christ.
- b. God gives \_\_\_\_\_ applications of His grace and mercy to all who are at peace with Him through Christ.
- c. Cherished \_\_\_\_\_ between Christians are great blessings from God.

#### 2. God uses generational friendships to encourage believers and ensure that His kingdom work continues and grows.

- a. Believers need to see themselves in \_\_\_\_\_ with Christians who went before them.
- b. Believers need to encourage and \_\_\_\_\_ for one another.

- c. A genuine and sincere faith is a great \_\_\_\_\_ to believers in all generations.

#### 3. In times of great challenge and discouragement believers often have the need for fresh kindlings of their faith.

- a. It is encouraging to remember that God gives His children spiritual gifts to \_\_\_\_\_ others in the body of Christ.
- b. It is encouraging to know that all believers are \_\_\_\_\_ by the Spirit of God.
  - 1) The Holy Spirit does not incline anyone toward sinful fear.
  - 2) The Holy Spirit grants believers:  
.... the power necessary for \_\_\_\_\_  
.... the \_\_\_\_\_ that enables one to live and act for His glory;  
.... and the self \_\_\_\_\_ to think clearly and act wisely.
