

Message Title: He is Still Coming Back Pt-2

Theme: God demonstrates His sense of intrigue by keeping many secrets from His creation. He gave Daniel a vision and had him write it down without showing him what it meant. He took Paul up to the Third Heaven then made him keep it a secret from everyone else. He let John see much more than is written in the book of Revelation and then stopped him from writing it all down, but of all the secrets that God keeps from us, the greatest by far is when Jesus will return to get all those who are “In Christ”. To add to the mystery we are told it will be at a time when we don’t think it will happen then He tells us to keep watching anyway. This message considers why God keeps secrets.

Salient Points: I love you God, God created time, The mighty Angel with a rainbow, Faith replaced by sight, Faith becomes action with reality, Thankful for God’s provision, When God chooses to answer prayer, Eternity past, Coming as a thief, Modern study benefits, More than just an escape from problems, Some signs of the times, Wait a little longer Jesus, God’s super secret, How God chose to keep this secret, More unknown than known, Why we like surprises.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
