

- A. Not only is the church God's house; she is also Christ's body.
- B. Ephesians 4 uses this figure of the church as Christ's body, and shows how it relates to the communion of saints.

Jehovah's Covenant Secret: The Covenantal Communion of Christ's Body

I. Of The Body With The Head.

- A. The communion of Christ's body is first of all the communion of the body (church) with its head (Christ).

- B. How is this communion manifest?

II. Of The Members With The Members.

- A. Even if we do not see it, we believe that there is also a communion of each member of the body with each other.

- B. How ought this communion be manifest?

- C. God's purpose in causing us to manifest such communion is the growth of the body.
