

## God and Evolution #5 – God is Truth

Let's begin where we left off last week! Genesis 3: 5-6

### Evolutionary Connection:

**In my words:** *Being enticed by evolution's promise of wisdom and perceived intelligence and trusting that their eyes will be opened; Theistic Evolutionists have eaten the forbidden fruit. They have believed the lie and become their own gods; reasoning that the theory of evolution (Satan's lie) and the Biblical story (God's Truth) can be co-aligned.*

**God is True – He is real; not fabricated, invented, or an imitation.**

- i. Jeremiah 10:10
- ii. John 17:3
- iii. 1 Thessalonians 1:9

**God is Truthful – He only acts and speaks within the realm of the truth. Falsehood is contrary to His nature.**

- iv. Titus 1:2
- v. Psalm 119:151
  - 1. **GOD CANNOT LIE!**
    - i. Numbers 23:19
  - 2. **GOD'S WORDS (COMMANDS) ARE TRUE.**
    - i. John 17:17
    - ii. 2 Timothy 2:15
    - iii. 1 Timothy 2:1-4

### **Summary:**

*"God is genuine or real. He is exactly as He reveals Himself to be. He is not a counterfeit, a fake, an invention, or a mere imitation. He is the one true God-distinct from the idols made by the hands of men and the false gods born in the corrupt imaginations of men." Paul Washer*

*"God only acts and speaks within the realm of the truth. His knowledge is perfect and so He is never mistaken. His character is holy and righteous; he cannot lie or distort the truth. Misinterpretation and falsehood are impossible with God" . Paul Washer*
