

# The Great Exchange

## “Stand in Grace”

### Romans 5

How does grace benefit us?

My past is **gone** — “We have peace with God...”

“Peace” - to gather that which has been scattered

Why do I need peace with God?

**Helpless** (v. 6)

**Sinners** (v. 8)

**Enemies** (v. 10)

The good news is that this is what **we were**.

My present is **guarded** — “We have access...” (vs. 12-21)

My future is **glorious** — “We rejoice in hope of the glory of God.” (vs. 4-5)

We learn to live from an **eternal** perspective.

The eternal perspective brings a sense of destiny to the **challenges** of life.

Application
