#### **PASTOR'S PRAYER**

Almighty, merciful Father, full of steadfast love and faithfulness. Throughout all generations you are the LORD. The One True "I AM". Your power and authority is unmatched, unequaled in all creation. You alone are mighty and majestic in all that your hand finds to do. Lord, we are quick to question and to grumble about your power and your bidding instead of fearing your name and walking by faith. We confess our hearts are more apt to oppose and rebel against your authority and power than receive them as good and merciful gifts from your good hand. Lord, thank you for your mercy and your power. Thank you for bearing us up and bringing us through our trials and struggles and rebellion by your sure and steady wisdom and with abundant, even lavish, grace. Lord, would you grant us repentance and faith this morning. Repentance to turn from our assumed strength and faith to trust your power and authority in our lives that we might stand with confidence and joy in these stormy days. Would you do this in the name of Jesus Christ our strong and merciful Savior. Amen & Amen.
