

A wooden cross is centered in the background, set against a dark, textured brick wall. The cross is made of light-colored wood and is slightly out of focus, serving as a visual backdrop for the text.

*As Jesus hangs on the cross we will see three lessons about sin and salvation*

1. Sin blinds us and will stubbornly fight faith till the very end
2. Genuine repentance can come to even the most unlikely people at the most unlikely time
3. Jesus promises immediate salvation to all who truly repent
