

## The Time is Now

Deuteronomy chapter 1.1-11; 19-21

What should we do now?

1. The time is now to take action based on God's **promises** (1.6).
2. The time is now to step out by faith against the **cultural currents** (1.22).
3. The time is now to set the example of faith and obedience for your **children** (1.39). Please don't assume that you are merely rearing your children; you are not - you are teaching your children **how to rear children**.
4. The time is now to **seize the day** because the opportunity for God's best will not always be there (1.41-46). The opportunity for God's best is a window with a **time limit**.
5. The time is now to stop circling the truth; it is time to do something about it beginning **at home** (chapter 2.1-3).
  - a. The time is now to **grow in grace** and become what God called you to be.
  - b. The time is now to invest in your **marriage**.
  - c. The time is now to invest in your **children**.
  - d. The time is now to step out in faith and obedience by **leading** your home.

Are you ready to move out in faith or do you want to circle the mountain of truth a few more times; send out your own spies in doubt of God's goodness and purpose? Let's make a move for God and for our homes.
