Sermon: "The Illegitimate Tribe of Dan" What's Wrong With You People? Pt. 47

### **I Text:**

Old Covenant: *Judges 18*

New Covenant: *John 8:31-47*

### **II Doctrine:**

The tribe of Dan illustrates why it may not have been mentioned in the book of Revelation, with its usual lawless behavior! This chapter explains how Dan violates God's covenant concerning the land, law, and line of inheritance. They arbitrarily pick a piece of land for inheritance, consult an idolatrous priest for guidance, with an illegitimate family line!

The Elders of Dan decide to confiscate the whole religious system of Micah including his Priest! The Priest acts like a typical Pastor for hire and goes along willingly with the tribe. Micah shows his deleterious mindset and chases the tribe of Dan to recover his pagan system of worship. He is told by the fighting men of Dan to basically go away or die.

The Tribe of Dan settles down and enjoy their illegitimate land, law, and family line!
