

SEX-CHANGE DRUGS IN YOUR LIFE! (WHY AND HOW TO COMBAT)

Joey Faust (6-6-21)

TEXT: Ecclesiastes 12:11 **The words of the wise are as goads,** and as nails fastened by the masters of assemblies, which are given from one shepherd.

2 Kings 4:38 And Elisha came again to Gilgal: and there was a dearth in the land; and the sons of the prophets were sitting before him: and he said unto his servant, Set on the great pot, and seethe pottage for the sons of the prophets.

39 And one went out into the field to gather herbs, and found a wild vine, and gathered thereof wild gourds his lap full, and came and shred them into the pot of pottage: **for they knew them not.**

40 So they poured out for the men to eat. And it came to pass, as they were eating of the pottage, that they cried out, and said, O thou man of God, **there is death in the pot.** And they could not eat thereof.

Acts 27:9 Now when much time was spent, and when **sailing was now dangerous**, because **the fast was now already past, Paul admonished them,**

10 And said unto them, Sirs, **I perceive** that this voyage will be with hurt and much damage, not only of the lading and ship, but also of our lives.

11 Nevertheless the centurion believed the master and the owner of the ship, more than those things which were spoken by Paul.

13 And when the south wind blew softly, supposing that they had obtained their purpose, loosing thence, they sailed close by Crete.

14 But not long after there arose against it a tempestuous wind, called Euroclydon.

20 And when neither sun nor stars in many days appeared, and no small tempest lay on us, all hope that we should be saved was then taken away.

21 But after long abstinence Paul stood forth in the midst of them, and said, **Sirs, ye should have hearkened unto me, and not have loosed from Crete, and to have gained this harm and loss.**

22 And now I exhort you to be of good cheer: for there shall be no loss of any man's life among you, but of the ship.

23 For there stood by me this night the angel of God, whose I am, and whom I serve,

31 Paul said to the centurion and to the soldiers, Except these abide in the ship, **ye cannot be saved.**

34 Wherefore I pray you to **take some meat: for this is for your health: for there shall not an hair fall from the head of any of you.**

" Why Are These Male Fish Growing Eggs?...it's been linked to manmade, environmental chemicals that mimic or block sex hormones...Estrogen-like chemicals are the suspected culprits..."
(National Geographic, 2016)

"Endocrine disrupting chemicals and impact on male reproductive health...Endocrine disrupting chemicals (EDCs) have been known to adversely affect the endocrine system leading to compromised functions of hormones. The presence of these compounds in everyday products such as canned food, water bottles, plastics, cosmetics, fertilizers, kid's toys and many other goods is a greater concern for the general population." (Transl Androl Urol. 2018 Jun; 7)

**Ephesians 5:18 And be not drunk
with wine, wherein is excess; but
be filled with the Spirit;**

"Even as Ashur, she is bearded with a beard..."
(A hymn to Ishtar of Nineveh)

**"...both Tammuz and Ištar were often
androgynous; the bearded Ištar..."**
**(The American Journal of Semitic Languages
and Literatures, 1920)**

"Alcohol is a guy's worst enemy...He may also find himself becoming less of a lad and more of a lady...[In women]...even moderate amounts of alcohol may cause infertility...[And] women may also lose their feminine figures as waist-to-hip ratio increases, and may grow more body hair, and develop a deeper voice and more aggressive behavior..." (New Scientist, Nov 27, 1999)

SOME SIGNS OF LOW T IN MALES:

-Low drive; low motivation; fatigue; loss of muscle mass; enlarged breast tissue; decreased bone mass; mood changes; depression; irritability; lack of focus; problems sleeping; loss of memory; low blood counts; anemia; leg cramping; dizziness; hopelessness; lack of enjoyment; back pain; more prone to heart attacks and strokes; nerve pain; numbness; skin problems (psoriasis); difficulty making decisions; stress;

"Feminizing hormone therapy is used to induce physical changes in your body...During feminizing hormone therapy, you'll be given medication to block the action of the hormone testosterone. You'll also be given the hormone estrogen to decrease testosterone production and induce feminine secondary sex characteristics...Redistribution of body fat...Decreased muscle mass..."

(Mayo Clinic)

"During masculinizing hormone therapy, you'll be given the male hormone testosterone..."

SOME SIGNS OF HIGH T IN FEMALES:

- Increased muscle mass.
- Changes in mood.
- Infertility.
- Depression.
- Anxiety.
- Higher risk of diabetes, cancer, PCOS, etc.
- Uncontrollable rage.

Ways to remedy in women:

Spearmint tea

Fish oil, fatty fish, Omega 3

Sesame seeds; and Black Seed.

"Revealed: Nestlé's 'floating supermarket' sent into heart of the Amazon and PACKED with ultra-processed junk food is blamed for shocking obesity crisis hitting children as young as SEVEN...Children as young as seven living in a remote part of the Amazon are battling obesity and diabetes after ultra-processed food was introduced to the region...What Are We Feeding Our Kids?, which airs tomorrow, sees doctor Chris van Tulleken consume only ultra-processed foods (UPFs) - such as chicken nuggets, pizza and ready meals - for four weeks, to see what impact it has on the body. Not only did he gain weight, father-of-two Chris, 48, became sluggish, anxious and an MRI scan showed that his brain began to constantly crave junk food in the same way as a person addicted to cigarettes, alcohol, or drugs would..."

**"Amazonian tribe with the
'healthiest hearts ever studied'
may also hold the key to
slowing down AGEING..."**

**Psalm 103:5 Who satisfieth thy
mouth with good things; so that
thy youth is renewed like the
eagle's.**

Ezekiel 47:12...and the fruit thereof shall be for meat, and the leaf thereof for medicine.

"Aging reversed: Study says you can become 3 years 'younger' in just 8 weeks!...It may sound like an advertisement for some anti-aging cream, but a new study reveals people can actually reverse the aging process through simple diet and lifestyle changes...In a groundbreaking clinical trial, scientists discovered that by balancing DNA methylation, participants reduced their biological age by over three years in just eight weeks...Study authors explain that methylation is the pattern of accumulating damage leading to greater and greater loss of cell function. This damage comes from the stress and strain of aging and disease..

Over eight weeks, researchers monitored the results of a treatment program focusing on diet, sleep, exercise, relaxation guidance, and supplemental probiotics and phytonutrients...Guidance per week...3 servings of liver...Preferably organic...5-10 eggs...Ideally free-range, organic...Guidance per day: 2 cups of dark leafy greens...Does not include salad greens such as romaine, iceberg, Spring mix...3 additional cups colorful vegetables of your choosing (excluding white potatoes, sweetcorn)...1/2 cup berries (wild preferred)...1/2 tsp rosemary...1/2 tsp turmeric...2 medium cloves garlic...6 oz animal protei...Grass-fed, pastured, organic and hormone/antibiotic-free...Minimize plastic food containers..."
(StudyFinds, May 30, 2021)

"Curcumin suppresses JNK pathway to attenuate BPA-induced insulin resistance in LO2 cells...Conclusion: Curcumin inhibits BPA-induced insulin resistance..." (Biomed Pharmacother, 2018 Jan)

"Modulatory effect of methylsulfonylmethane [MSM Sulfur] against BPA/ γ -radiation induced neurodegenerative alterations in rats...Bisphenol-A (BPA) and γ -radiation (R) are two risky environmental contaminants...This work aims at unveiling the modulatory role of MSM in combating BPA and R co-exposure induced neurodegenerative disorder (Alzheimer's (AD)-mimic neurotoxicity)... Our data suggest that MSM afforded neuroprotection against BPA and R..." (September 2020, Life Sciences)

MSM:

**Found in...Raw milk, apples,
raspberries, eggs, garlic,
onions...fish...**

"Antioxidant reverses damage to fertility caused by exposure to bisphenol A...A study shows that administering coenzyme Q10 reverses damage done to germinative cells by BPA, a contaminant found in many kinds of plastic...A study performed at Harvard Medical School (HMS)...shows that the harmful effects of BPA can be reversed by administering a supplement known as CoQ10 (coenzyme Q10), a substance naturally produced by the human body and found in beef and fish..."

The article published in the journal Genetics is the first to present this strategy for reversing the effects of BPA in the organism. In this study, the researchers tested the antioxidant action of CoQ10...BPA is a chemical contaminant that acts as an endocrine disruptor, causing cellular oxidative stress..."

"Ameliorating effects of black seed oil on bisphenol-A induced abnormality of blood, hormone profile and gonadal histology of female mice..."

(January 2020; Project: Influence of Bisphenol on Mammalian Physiology)

*"Black Seed (Nigella Sativa) and its
Constituent Thymoquinone as an Antidote or
a Protective Agent Against Natural or
Chemical Toxicities..."*

**Lead...antibiotics...BPA...fluoride...acetamin
ophen...ethanol...pesticides..."**

(Iran J Pharm Res. 2017 Winter; 16)

"Effects of quercetin on bisphenol A-induced mitochondrial toxicity in rat liver...The BPA-induced alterations were restored...the potential hepatotoxicity of BPA can be prevented by quercetin, which protects the body against oxidative stress and BPA-induced biochemical toxicity. Moreover, the reproductive toxicity of BPA after environmental or occupational exposures can be potentially prohibited by quercetin..."

"Protective effects of quercetin against oxidative stress induced by bisphenol-A in rat cardiac mitochondria...Research has shown a relationship between the exposures to a chemical agent called bisphenol-A (BPA), which is extensively used in the production of polycarbonate plastics and the incidence of cardiovascular diseases...According to the results, QUER could be used as a protective agent against BPA-induced mitochondrial toxicity."

(Environmental Science and Pollution Research volume 27)

"Therapeutic effects of quercetin against bisphenol A induced testicular damage in male Sprague Dawley rats...This suggests that quercetin may be a potential therapeutic against BPA induced testicular toxicity."

(Systems Biology in Reproductive Medicine, Volume 62, 2016)

"Quercetin mitigates toxicity and oxidative stress motivated by bisphenol a in liver of male rats..."

(Jan 2016)

QUERCETIN:

- Found in: citrus fruits, apples, onions, plus olive oil, dark grapes, dark berries such as blueberries, blackberries, raspberries, mulberries, onions, capers, etc.
- Cranberries (#2 most dense fruit with quercetin)

"The inhibition of the estrogenic effects of pesticides and environmental chemicals by curcumin and isoflavonoids."

(Environ Health Perspect. 1998 Dec)

"Curcumin protects against cypermethrin-induced genotoxicity in rats...Cypermethrin is a synthetic pyrethroid insecticide..."
