## Questions to Ponder:

- 1. What are some phrases from this passage that stand out to you? Why are they important?
- 2. Do you see any crossover ideas from our study in the first 12 chapters of Genesis and this passage?
- 3. In what ways did God the Father put a lot of trust in Jesus?
- 4. What are some action plans that believers can draw from this passage?

**Many a believer falls into the trap of putting their faith and hopes in someone or something that disappoints them and causes them to stumble. We must remember the one who delivers and never disappoints. Keeping our eyes on Jesus means that we do not fall into a trap of putting our hope in our friends, family, church, or any created thing. Only Jesus deserves our attention and only Jesus continually delivers.**

It was appraised at 2.28 million dollars. It took a lover of stones
