WORSHIP IN SONG

One of the many things we miss during this season of not gathering together is our congregational singing, which has been a significant aspect of our worship from the beginning. To help us lift our voices in praise to the Lord during this time, I have begun to mine the Dayspring archives for video recordings of congregational singing from years past. Each Sunday morning, when I email the link to this bulletin, I will also email a link to the video of a hymn sung at Dayspring with the words for you to sing along at home in the minutes before the service begins to stream. I encourage you to also make use of these hymns throughout the week in family or private devotions.

AMERICAN GOSPEL MOVIES

If you have not seen the two movies in this series, *American Gospel: Christ Alone* and *American Gospel: Christ Crucified*, they are available on Amazon for rent or purchase, and are free on Netflix. These are excellent presentations of the gospel in side-by-side comparison to the false teaching of the world. Dayspring has acquired a supply of these movies in DVD format for use as evangelism aids to be shared with others. These will be free and available in the fellowship hall when they arrive, or you can contact Bill Phillips for a copy.

MASKS

We are grateful for all those who have been providing masks. We now have a number of reusable cloth masks available here at the chapel of various sizes for when we open. We also have a box of disposable masks. Our sister Barbara Harrell is taking requests; if you are in need of a reusable hand-sewn cloth mask, let Barbara know by text or by email.

REFLECTIONS FROM A PASTOR'S HEART

This week, in my video devotionals, I plan to reflect from Scripture on the five "Solas" of the Protestant Reformation:

Monday - Scripture Alone

Tuesday - Faith Alone

Wednesday - Grace Alone

Thursday - Christ Alone

Friday - To the Glory of God Alone
