#### News from the Cottams in Papua New Guinea:

Many of you have been praying for Dominika. As a result of the Creation to Christ chronological lessons which my co-worker Linda completed with her, she clearly shared that she is going to heaven because Jesus paid her sin debt.

Kellenbergers have their visas and have their flights booked. They are due to arrive on Thursday June 15th at about 10 o'clock in the morning.

Bill has already made his first tribal trip to see if he could repair a generator. Praise the Lord he was able to fix the problem and run it for several hours before flying back out. Bill also had to work on Friday on the pump which sends the bore water around to all the houses. It has been playing up for 6 weeks apparently. He has also been presented with a list of electric work which needs to be done in 3 houses. Some of the work must be finished before Kellenbergers and the Michaud family returning from home assignment arrive on the 15th.
