The Joy of Worshiping the Living God

Psalm 84

1. Worship is a Lifestyle for those who know Christ

- a) For those who serve vocationally in Christ's Church (4)
 - b) For those as laypeople in Christ's Church (5)
 - c) For all who simply trust in Christ (12)

2. True worship of Christ is available to the unsaved

- a) For the insignificant who seek meaning to life
 - b) For the restless who can't find meaning in the busyness of the world
-

3. A test of true faith: Are you eager to worship Christ?

- a) We are the temple of God (2 Cor 6:18). Do I love being me?
 - b) Do I love gathering with other Christians to worship?
 - c) Am I one who hinders my own worship and the worship of others?
 - d) Do I long more for the world than for worship?
 - e) Am I constantly looking for a place to serve God, or do I use the excuse that there seems to be no needs to excuse myself from service?
 - f) Do I long for heaven to see Christ or someone/something else?
