ANGER DETERRENT – REMEMBERING WHO WE ARE

7/18/2021

Lesson 10: **A Biblical View of Anger**

Text: Various

Theme: Keys to handling our anger.

I can simply say, don't sin when you're angry (**Eph 4:26**) or help you to see what that looks like

LET'S SEE WHAT IT LOOKS LIKE TO USE OUR ANGER CORRECTLY

1. Take heed to yourself (especially your spirit)
2. Recognize your goal (restoration to God & others)
3. Pray for wisdom
4. Confront the situation (increase their value
 - ? How might we respond (wrongly)?

 - ? How should we respond?
5. Forgive the repentant (& restore)

Handling matters wisely takes time, but will need to be done less often

Bottom line: Be angry at the sin without displaying sinful anger towards the sinner

Key passage for understand how God is so merciful (Psa 103:8-14)

<p>Are you responding to your child's spill, forgetting your tools, your mate's accident the same way God would respond?</p>
