

## GIFTS FOR GOD'S CHILDREN 1 Peter 4:1-11

Something is amiss with our understanding of spiritual gifts when:

1. Their use is causing **division** instead of **unity**.
2. Their use is causing **confusion** instead of **understanding**.
3. Their use is causing **competition** instead of **comfort**.
4. Their use is making the saved look **silly** instead of making the gospel more **appealing**.

Know this about spiritual gifts: (1 Peter 4:10-11)

1. All believers are **divinely** gifted.
2. All gifts are directed **toward others**.
3. All gifts are divine **investments**.
4. All gifts are Holy Spirit **enabled**.
5. **All glory** must go to God.
