My Verse, My Story
Trusting God for Our Tomorrow
Philippians 4:19
Jim Landymore
July 23, 2023

Main thought:

In times of uncertainty, when we don't know what tomorrow brings, we can trust God to meet our every need.

Notes:

1. Acknowledge the **source**. (Col. 1:15-18)
2. Accept the **promise**. (Rom. 8:31-32)
3. Recognize the **gift**.
4. Comprehend the abundant **supply**. (Eph. 3:20)
5. Place your faith in the **Savior**. (Rom. 5:1-2)

Ice-Breaker

- Share a time God provided for a need in your life.

Verse of the week

- What is a verse or truth from God's Word that has stood out to you this week from your own personal Bible reading? How did it support the main thought for this week?

Digging In

Read or recap Philippians 4:19, and discuss the following questions.

- What stood out to you from this passage or message?
- How does this passage challenge your worries about tomorrow?
- What gets in the way of making God your god versus the many other things we rely on?

- Share a time you had a want that outweighed what you really needed?
- Why do we sometimes find it difficult to trust God for our tomorrow? What can you do to increase your trust and faith in God's provision?

Application

- What circumstance are you currently in where you need to stop worrying and trust God to meet your need?
- Recite Philippians 4:19 each day (or more than once each day) for the next 30 days. See and journal how God meets your current need.

Praying as a group

- How can we be praying for each other this week?
