- Righteousness: Am I thinking things about God or others that I know are not right? Am I thinking of doing something that I know is not right? Am I thinking of acting independently of God?
- Readiness: Is my mind filled with thoughts of discouragement, quitting, giving up on God, people, my hopes, my life, my ministry? Am I distracted and sidetracked from doing anything?
- Faith: Is my mind filled with doubt, questioning God’s love, character and faithfulness? Am I thinking that I may have misunderstood what God wants from me? Is my mind confused and am I having trouble focusing on believing God?
- Salvation: Is my mind filled with thoughts of unworthiness, either thinking I am worthless or that others think I am worthless? Is my mind filled with thoughts accusing and blaming me for something? Do I feel alone, isolated from God and others?
- Sayings of God: Is my mind filled with thoughts that I know are contrary to God’s word? Am I thinking things that I know contradict and challenge what I know God has said and promised?
