Sermon: "Yes I Really Chose You!" What's Wrong With You People? Pt. 16

**I Text:**

Old Covenant: *Judges 6:11-16*

New Covenant: *Galatians 1:11-17*

**II Doctrine:**

The Angel of the Lord pays a special visit to Gideon and recruits him as the next Judge in Israel. The Lord declares what type of man Gideon will become, even before Gideon believes it himself! The living God knows the heart and potential of his servant.

Gideon asks the Lord why he has allowed the Israelites to fall into the hands of their enemies. God does not need to defend his actions, and only tells Gideon be ready to deliver Israel from bondage. God will miraculously deliver his people from bondage once again.

Like many of God's people Gideon doubts his ability to complete the task God has placed before him. Gideon did not believe he nor his family fit the "Judge of Israel" description. God explains his will shall be done by the vessel he chooses.

**III Comparing Scripture With Scripture:**

1) The Angel of the Lord pays a special visit to Gideon and recruits him as the next Judge in Israel. The Lord declares what type of man Gideon will become, even before Gideon believes it himself! The living God knows the heart and potential of his servant. (*Judges 6:11,12; Exodus 4:10-17*)

2) Gideon asks the Lord why he has allowed the Israelites to fall into the hands of their enemies. God does not need to defend his actions, and only tells Gideon be ready to deliver Israel from bondage. God will miraculously deliver his people from bondage once again. (*Judges 6:13,14*)

3) Like many of God's people Gideon doubts his ability to complete the task God has placed before him. Gideon did not believe he nor his family fit the "Judge of Israel" description. God explains his will shall be done by the vessel he chooses. (*Judges 6:15,16; 1 Samuel 16:1-13*)
